Kundenstimme

Hi Sebastian,

we work hard to be operational for our season strat tomorrow. we have a really good return here of your product, it's just amazing and good opportunities for us! I think indeed we will need more units before the high season at the end of November in Guadeloupe. We will have more details in 2 weeks. Thank you for the great work Sebastian! we are really happy to develop your concept in Guadeloupe! we send you sunshine!

Have a good day and greeting tot he whole artthink team!
